ROUTE MAP

Bus Route No. : 19B Central Polytechnic.
Train Route   : Alight at Indira Nagar Railway Station

WORKSHOP DIRECTOR

Prof. Dr. B. Ramesh Babu
Professor, DLIS, University of Madras, Chennai

RESOURCE PERSONS

Dr. S.K. Asok Kumar
Deputy Librarian, The Tamil Nadu Dr. Ambedkar Law University, Chennai

Dr. D. Chandran
Professor, DLIS, Sri Venkateswara University, Tirupati

Dr. S. Gopalakrishnan
Assistant University Librarian, Anna University, Chennai

Dr. K. Kaliyaperumal
University Librarian i/c, University of Madras, Chennai

Dr. Paul Pandian
Librarian, The Institute of Mathematical Sciences (IMSc.,), Chennai

Dr. P. Rajendran
University Librarian, SRM University, Chennai

Dr. Ramesha
Associate Professor, DLIS, Bangalore University, Karnataka

Dr. Srinivasan Raghavan
Librarian and Head, DLIS, Bharathidasan University, Tirchy

PANELISTS

Rev. Fr. Dr. A. VijayKiran – Convener
Archivist, Santhome Church, Chennai

Dr. R. Ambuja
Deputy Librarian, Guindy Campus, University of Madras, Chennai

Dr. S. Gopalakrishnan
Head, Resource Centre, National Institute of Fashion Technology, Chennai

Dr. V. Kasirao
Senior Documentation Officer / Head, Documentation, CLRI, CSIR, Chennai

Dr. N. Subramanian
University Librarian, Periyar University, Salem

Dr. P. Vinayagamoorthy
University Librarian, Thiruvalluvar University, Vellore

ABOUT SETS

Society for Electronic Transactions and Security (SETS) is an initiative of the Central Government through the Office of the Principal Scientific Adviser (PSA) to the Government of India. SETS was set up for the purpose of nucleating, sensitising and developing technologies that can protect the information wealth of the country. Such an idea to form a specialized organisation in the area of information security was conceived by Dr. A.P.J. Abdul Kalam, formerly the Hon'ble President of India and was implemented by Dr. R.Chidambaram, PSA to the Government of India. SETS is the first organisation in India established in the Public-Private Partnership mode that is engaged in information security. SETS has its headquarter at Chennai close to IITM Research Park in Taramani. SETS is engaged in the research areas of hardware security, network security and cryptology. SETS has signed various MoUs with leading Institutions specializing in information security. SETS has initiated a programme with Institute of Mathematical Sciences (IMSc) to engage in research in Cryptanalysis.

SETS KNOWLEDGE CENTRE

It is a special library with collection, both print and electronic, in the field of Cryptology, Cryptography and allied subjects. The library has been automated used LibSys Software and Bar-coding has been done.

THEME OF THE WORKSHOP

The development of digital libraries is an emerging trend in the Indian Library set up, thus providing a context for the integration, thus providing a context for the integration of information resources with virtual and e-learning environments. Today information revolution is being complemented by digital revolution. Digitisation is one of the technological advancements. It brings the resources nearer to the benefit of users. Digitized information can be used in numerous ways to overcome the barriers of communication. The availability of right information can take study, teaching and research into a new horizon and can help decision makers to take the right decision. The digitization of library and information centre resources has its roots in library automation. But at the same time not all resources of a library need to be digitized. There are a lot of issues involved in digitization. Therefore the present workshop has been envisaged with the following objectives:

➢ To present an overview of digital library and digitization.
➢ To explain the digitization process, methods, hardware and software, standards and copyright issues.
➢ To narrate ongoing projects on digitization in India in general and Tamil Nadu in particular.

National Workshop
on
"Digitisation: Prospects and Challenges"

28th August 2011

REGISTRATION FORM

Name   : **Dr./ Mr. /Ms.** ....…

Designation : ....……

Institution   : ....……

....……
