
NATIONAL WORKSHOP ON CYBER SECURITY FOR CRITICAL NFRASTRUCTURE
SPEAKERS & TITLE OF THE TALK

Dr. Ajeet Bajpai

Director General, National Critical Information Infrastructure Protection Centre (NCIIPC), GoI
Guest of Honour Address

Dr. SAV. Satya Murty

Former Director IGCAR
Director, VMRF
Keynote Address on “Cyber Security for Critical Infrastructure: Challenges & Way Forward”

Prof R.K. Shyamasundar

JC Bose National Fellow and Distinguished V. Professor
IIT - Bombay

Topic: Invited talk on “IoT: Classification, Identification and Security Enforcement”

Dr. P. K. Agarwal

Director, POSOCO

Topic: Invited Talk on “Cyber security framework in Utilities”

Shri. MAKP Singh

CISO, MOP

Topic: Cyber Security in Power Sector

Dr. P. V. Ananda Mohan

Technology Advisor
C-DAC Bangalore

Topic: Cryptosystem Validation FIPS- 140(2) Perspective

**NATIONAL WORKSHOP ON CYBER SECURITY FOR CRITICAL NFRASTRUCTURE
SPEAKERS & TITLE OF THE TALK**

Dr. Parag Rughani
Associate Professor
Gujarat Forensic Sciences University

Topic: Securing Critical Infrastructure with Machine Learning

Shri. Arvind Kumar
Group Coordinator, R & D in Electronics
Meity, GoI

Topic: Panel Discussion “Need of Indigenous Solutions/ Products in Securing the Nation's Critical Infrastructure”

Dr. Chester Rebeiro
IIT - Madras

Topic: Processor and its Vulnerability

Dr. Sumanta Sarkar
TCS Innovation Lab, Hyderabad

Topic: Lightweight Protocols

Ms. Mini TT
Principal Engineer, ABB Global Industries and
Services Private Limited

Topic: Hardware based Security for Industrial Instruments

Shri. Bindhumadhava
Senior Director & Centre Head, C-DAC, Bangalore

Topic: Challenges in securing IT and CI-ICS systems & Solutions

NATIONAL WORKSHOP ON CYBER SECURITY FOR CRITICAL INFRASTRUCTURE
SPEAKERS & TITLE OF THE TALK

Shri. Rajesh Kalluri
Joint Director, C-DAC, Bangalore

Topic: SCADA Security / IIOT Security / SIEM

Dr. Balaji
Joint Director, C-DAC, Bangalore

Topic: DNS Security

Shri. Hari Babu
Joint Director, C-DAC, Bangalore

Topic: IoT Security

Dr. Prem Laxman Das
Sr. Scientist, SETS

Topic: Securing Critical Infrastructure in the Quantum Era: PQC

Dr. Jothi Ramalingam
Scientist, SETS

Topic: Securing Critical Infrastructure in Quantum Era: QKD Systems

Ms. A. Suganya
Scientist, SETS

Topic: Secure Crypto Devices for Cyber infrastructure
